

By receiving, purchasing, downloading, installing, using or otherwise handling this font, you accept the terms of this agreement. This agreement replaces and supersedes any previously made oral or written proposal or agreement between you and Visual Folder. If you do not accept the terms, you can not download or request or use the fonts.

Do not share, distribute, illegally copy, steal from a licensed user or re-sell the fonts. Fonts are allowed to be passed onto a pre-press service or printer for output only. Contractors are not allowed to actively create new documents with fonts that have been passed on for output only.

Purchased fonts will always remain copyrighted to the designer. Embedding the font into any other software, PDF's or electronic documents is prohibited other than directly to the printers.

Desktop and print license of this font is valid for:

- A. Desktop/Print license allows you to use our fonts on your devices and use it to create any printed material such as documents, posters, banners, merchandising, signage for one single company/client (with 'company' we intend a single brand and not a group of brands).
- B. Web license allows you to use our fonts on your website without any traffic limit. If you want to use the font on a second domain you have to buy an additional license. You can only use WOFF and WOFF2 files, uploading a desktop OTF file is forbidden (It's not possible to use a desktop/print license on a website).
- C. App & Video game license allows you to use our fonts in a single application/video game released on different digital stores or physically for console, computer and mobile. If you want to use the font on a second application/game you have to buy an additional license.
- D. Social license allows you to use our fonts on any social media without follower limitation. You can create still and motion content only for social media. Those content can't be used out of social media platforms, to use it you will have to purchase an additional license based on the use. (ex. To use a video content as a television advertising you have to purchase a advertising license)
- E. Streaming Broadcast License allows you to use our fonts on television, and streaming/broadcast platforms (ex. Netflix, Twitch, YouTube Live, etc.). The font use is limited to contents like titles, Broadcast channel design system, layouts, except advertising contents (see advertising license).
- F. Advertising license allows you to use our fonts to create any content (printed, digital, broadcast, streaming, social, etc.) to promote a single campaign of a product, an event, etc.

Any breach of the terms of this agreement shall be cause for termination of the license. Legal action will be pursued if you are found to be using WiseType typefaces illegally. I reserve the right to update the licence agreement, at any time without prior consent or notice. I may, at any time, request an audit in order to confirm that you are complying with the terms of this EULA.

If you are unsure of any terms of this License, or if you have any questions relating to your rights to use the Font Software, please contact me directly at info@visualfolder.xyz and I will get back to you as soon as possible.

- F. Advertising license allows you to use our fonts to create any content (printed, digital, broadcast, streaming, social, etc.) to promote a single campaign of a product, an event, etc.
- G. Logomark license allows you to use our fonts to create a logo or wordmark for one single company/brand. This logo or wordmark can be used on video, social media, streaming, broadcasting, printed matter, etc. This is the only license that allows you to convert the font in outline and to modify it as you wish. The modification of a font file is always forbidden.
